**All the names appearing in the NRC, 1951, or, any of the Electoral Rolls up to the midnight of 24th March, 1971 together are called Legacy Data. Legacy data can be accessed at all NSKs and online (www.nrcassam.nic.in) and a valid Legacy Data Code can be issued.

In addition, the following two documents will be used as supporting documents: (1) Circle Officer/GP Secretary Certificate in respect of married women migrating after marriage (not mandatory) and (2) Ration Card issued up to the midnight of 24th March, 1971.

Other important information:

- Even in cases where names, age etc. are wrongly spelt in 1951 NRC or in Electoral Rolls up to 1971, there would be ample scope for citizens to prove their linkage with the correct person during Field Verification.
- Admissible documents of ANY PERIOD up to midnight of 24th March, 1971 shall be enough to prove eligibility for inclusion in updated NRC. Rumours about requirement of documents only of pre-1966 period are baseless.
